

Chapter 1: Principles

Strategy begins with intent and ends with execution.

Without intent, execution is motion.

Section 1.1: Intent

Intent is the answer to why before how.

Clarity of intent compresses decisions downstream.

Section 1.2: Execution

Execution is the loop that closes intent against reality.

Chapter 2: Measurement

What you cannot measure, you cannot improve.

Metric | Target | Status
Coverage | 92% | OK
Latency | 250ms | OK
